## Circuit

Connectivity and electric circuit diagrams inspired the design behind this new bath and vanity collection. Circuit fixtures appear to contain a lamp that is a continuous tube for an intriguing appearance. This collection is ideal for residential or light commercial applications, such as restaurants or other urban industrial and vintage electric design schemes. One-Light Bath in a Brushed Nickel finish.

**Width: 13-1/2"**  
**Height: 5-1/8"**  
**Depth: 3"**  
**H/CTR: 2-1/2"**

- This collection is ideal for residential or light commercial applications, such as restaurants or other urban industrial and vintage electric design schemes
- Ideal for modern farmhouse, rustic farmhouse and urban industrial design styles
- Features popular Brushed Nickel finish
- Design inspired by electric diagrams creating the feeling of a completed circuit
- Uses one 40-watt medium base bulb. One 40w T10 vintage bulb included with fixture. Replacement T10 vintage bulbs are P860028-001.
- Circuit fixtures appear to contain a lamp that is a continuous tube for an intriguing appearance
- Adds task lighting on either side - or above - of mirror to eliminate shadows on face when getting ready in the morning
- In addition to bath areas, sconces are suitable for hall & foyers to add ambient lighting.

**Category:** Bath & Vanity

**Finish:** Brushed Nickel (plated)

**Construction:** Steel Construction
