Circuit

Connectivity and electric circuit diagrams inspired the design behind this new bath and vanity collection. Circuit fixtures appear to contain a lamp that is a continuous tube for an intriguing appearance. This collection is ideal for residential or light commercial applications, such as restaurants or other urban industrial and vintage electric design schemes. Two-Light Bath in a Polished Chrome finish.

Width: 27-1/4"
Height: 5-1/8"
Depth: 3"
H/CTR: 2-1/2" (glass facing up)

- This collection is ideal for residential or light commercial applications, such as restaurants or other urban industrial and vintage electric design schemes
- Ideal for modern farmhouse, rustic farmhouse and urban industrial design styles
- Design inspired by electric diagrams creating the feeling of a completed circuit
- Two 40w T10 vintage bulbs included with fixture. Replacement T10 vintage bulbs are P860028-001.
- Connectivity and electric circuit diagrams inspired the design
- Circuit fixtures appear to contain a lamp that is a continuous tube for an intriguing appearance
- Adds task lighting on either side - or above - of mirror to eliminate shadows on face when getting ready in the morning
- In addition to bath areas, sconces are suitable for hall & foyers to add ambient lighting.
